Nota di contenuto	pt. 1. Pragmatics, grammar, and semantics -- pt. 2. Pragmatics, discourse, sociocultural aspects, and language contact.
Sommario/riassunto	This book aims to disseminate at an international level a set of innovative studies whose descriptive and applied point of reference is the Catalan language. The volume constitutes a significant contribution to the field of intercultural pragmatics and also to a broad range of grammatical and cognitive issues which have been approached from the pragmatic perspective.
