Sommario/riassunto	The second edition of Fleisher & Ludwig's 5-Minute Pediatric Emergency Medicine Consult helps anyone working in a busy emergency or urgent care setting diagnose, treat and manage over 500 diseases and common pediatric conditions. You'll instantly find clear answers--summarized succinctly--on clinical orientation, differential diagnosis, medications, management, discharge criteria and more. Practice guidelines are evidence-based, and the book is formatted for

quick reference, double-checking or a 5-minute refresher.
