Sommario/riassunto

This expanded edition of "The Lady in the Painting" can be used as the primary textbook for a low-intermediate class or as a supplementary text, depending upon the reading proficiency of the students. The CD-ROM provides sentence-by-sentence and paragraph-by-paragraph audio recordings for listening practice, as well as listening comprehension questions and dictation sentences that can be used for writing characters or Romanization. Each of the eight chapters of the book includes an expanded vocabulary list, structure notes and exercises and reading comprehension questions. The book is available in either simplified or traditional characters.
