Sommario/riassunto

If you've ever wanted a quick and easy guide to verbs and adverbs, commas and apostrophes, clauses and prepositions, then this is a must-have book for you. Easing readers gently into the study of the structure of English, Grammar: A Pocket Guide covers common questions such as: Is it "10 items or less" or "10 items or fewer"? Should I say "If I were you" or "if I was you"? Can you start a sentence with "And" or "Because"? When do you use "whom"? What is the difference between "lie" and "lay"? Is it "I feel bad"?
