Sommario/riassunto	The phenomenon of bankonka - 'postponement of marriage' - is increasingly reported in contemporary Japanese media, clearly illustrating the changing patterns of modern lifestyles and attitudes towards marriage, personal obligation and ambition. This is the first book in recent years to explore the contemporary state of marriage in Japanese society. Setting out the different perceptions and expectations of marriage in today's Japan, the book discusses how economic issues and the family impact on marital behaviour. Contrary to the views of some feminists that young women have no inte
