Nota di contenuto	Introduction -- Theory and methods -- Foreign policy, war and public opinion -- September 11th and Afghanistan -- President Bush's road to war in Iraq -- The war on terror in Iraq -- Findings and implications.
Sommario/riassunto	The author investigates how President George W. Bush's initial framing of the September 11th attacks provided the platform for the creation of long term public support for the War on Terror and established early public support for U.S. action in Iraq.
