Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- Introduction -- 1. The Impasse of Dissent -- 2. The Stages of Demobilization -- 3. The Shadow World -- 4. Legends of the Underground -- 5. Everything Changed with the Charter -- 6. The Public of the Powerless -- 7. Dreams of a Dissident -- Conclusion -- Notes -- Acknowledgments -- Index
Sommario/riassunto	Worlds of Dissent analyzes the myths of Central European resistance popularized by Western journalists and historians, and replaces them with a picture of the struggle against state repression as the dissidents themselves understood, debated, and lived it. In the late 1970's, when Czech intellectuals, writers, and artists drafted Charter 77 and called on

their government to respect human rights, they hesitated to name themselves "dissidents." Their personal and political experiences—diverse, uncertain, nameless—have been obscured by victory narratives that portray them as larger-than-life heroes who defeated Communism in Czechoslovakia. Jonathan Bolton draws on diaries, letters, personal essays, and other first-person texts to analyze Czech dissent less as a political philosophy than as an everyday experience. Bolton considers not only Václav Havel but also a range of men and women writers who have received less attention in the West—including Ludvík Vaculík, whose 1980 diary *The Czech Dream Book* is a compelling portrait of dissident life. Bolton recovers the stories that dissidents told about themselves, and brings their dilemmas and decisions to life for contemporary readers. Dissidents often debated, and even doubted, their own influence as they confronted incommensurable choices and the messiness of real life. Portraying dissent as a human, imperfect phenomenon, Bolton frees the dissidents from the suffocating confines of moral absolutes. *Worlds of Dissent* offers a rare opportunity to understand the texture of dissent in a closed society.
