Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Intro -- Pagina do Titulo -- Pagina dos Direitos Autorais -- Deus E Dinheiro -- Parte 2 dois -- Parte 3 tres -- Parte 4 quatro -- Parte 5 cinco.
Sommario/riassunto	This book, written by André Cronje, explores the intersection of faith and wealth, emphasizing spiritual wisdom over material riches. Through a collection of narratives and teachings inspired by Jesus Christ, it challenges readers to consider the true value of wealth in light of spiritual prosperity. The author, of South African Huguenot descent, uses poetic and dramatic expressions to convey his message of hope, love, and faith in God. The book addresses both the wealthy and the poor, advocating for a life enriched by faith rather than material possessions. It aims to motivate and guide readers in understanding God's perspective on wealth, encouraging them to seek wisdom and spiritual inheritance over temporal gains. The intended audience includes individuals interested in Christian teachings and those seeking a deeper understanding of money from a biblical perspective.
