| Sommario/riassunto      | This book employs contemporary theoretical perspectives to investigate the Neolithic period in southern Britain. It is a fully reworked edition of the author's Rethinking the Neolithic (1991).                                                                                                                                                                                                                                                  |
