Sommario/riassunto	Nontraditional families are today an important part of American family life. Yet when a loved one dies, our inheritance laws are often stingy even towards survivors in the nuclear family. With humor, enthusiasm, and a bit of righteous outrage, Ralph C. Brashier explores how probate laws ignore gender roles and marital contributions of the spouse, often to the detriment of the surviving widow; how probate laws pretend that unmarried couples-particularly gay and lesbian ones-do not exist; how probate laws allow a parent to disinherit even the neediest child; and how probate laws for nonmarital c
