| Nota di contenuto       | Foreword / by Rowan Williams -- Introduction -- Holiness and holy people -- Celebrities as saints : the canonization of the extraordinary -- God's humanity and humanity's becoming godly -- A call to all, but can there be models? -- Equipment for holiness : liturgy in life, as life -- Holiness, hidden, ordinary, yet new -- Diverences. |
| Sommario/riassunto      | Hidden Holiness challenges us to examine the concept of holiness by exploring the "hidden" holiness founded on the calling of all to be witness to the Gospel.                                                                                                                                                                                  |
