#### Sommario/riassunto

This book is a collection of studies on political interaction in a variety of broadcast, namely news and current affairs programs, political interviews, audience participation programs and radio phone-ins. Following a growing scholarly interest in political discourses, dialogic forms of news production and media talk in general, a number of internationally acclaimed scholars investigate the discursive and interactional practices that give rise to the arena of public politics in contemporary society. Chapters span an array of cultural contexts, as diverse as Sweden, Greece, Belgium (Flanders),
