| Sommario/riassunto      | Traces the connection between slavery and the way in which black women fiction writers depict female characters and address gender issues, particularly maternity.                                                                                                                                                                                                                                                                                          |
