Termination of the ABM Treaty and the Political Question Doctrine: Judicial Succor for Presidential Power; 12. Political Questions and Political Remedies; About the Authors
Sommario/riassunto	Historically, the political question doctrine has held the courts from

resolving constitutional issues that are better left to other departments of government, as a way of maintaining the system of checks and balances. However, this book discusses the gradual changes in the parameters of the doctrine, including its current position dealing with increasingly extraterritorial concerns.
