Sommario/riassunto

""This is an essential book for any practitioner, researcher or student of securitisation - concise and accurate coverage of the key aspects of securitisation on all the main and secondary markets of the world.""?
Alexander Batchvarov, Managing Director, International Structured Product Strategy, Merrill Lynch, London. ""John Deacon's original book became the leading textbook for those genuinely interested in gaining a profound and detailed understanding of the arcane world of securitisation. The new, updated version confirms John's status as the top writer in this sector. Securitisation
