Sommario/riassunto

America is a wonderful and magnificent country that affords its citizens the broadest freedoms and the greatest prosperity in the world. But it also has its share of warts. It is embroiled in a war that many of its citizens consider unjust and even illegal. It continues to ravage the natural environment and ignore poverty both at home and abroad, and its culture is increasingly driven by materialism and consumerism. But America, for better or for worse, is still a nation that we have built. So why then, asks Albert Borgmann in this most timely and urgent work, are we failin
