Sommario/riassunto

Identity movements, based on ethnicity, caste, language, religion and regional identity, have become increasingly significant in Nepal, reshaping debates on the definition of the nation, nationalism and the structure of the state. This book analyzes the rapid rise in ethnic and nationalist mobilization and conflict since 1990, the dynamics and trajectories of these movements, and their consequences for Nepal. From an interdisciplinary perspective, the book looks at the roots of mobilization and conflicts, the reasons for the increase in mobilization and violent activities, and the pol
