The series Current Issues in Linguistic Theory.

Sommario/riassunto

The 20 papers in this volume are a selection from those presented at the 34th LSRL, held in Salt Lake City, in 2004. The papers deal with a wide range of theoretical issues in Romance Linguistics and include several from the conference parasession, which focused on experimental approaches to problems in Romance Linguistics. The book will be of interest to anyone interested in current issues in theoretical Romance Linguistics.
