Sommario/riassunto	The United States continues to provide opportunities for travel and tourism to domestic and international travellers. This is the first book to offer students a comprehensive overview of both tourism and travel in this region, paying specific attention to the disciplines of Geography, Tourism Studies and, more generally, Social Science.Tourism in the USA explains the evolution of tourism paying attention to the forces that

shaped the product that exists today. The focus of the book includes the manner in which tourism has played out in various contexts; the role of fe
