

1. Record Nr.	UNINA9910956723803321
Autore	Kaufman David V
Titolo	Clues to Lower Mississippi Valley Histories : Language, Archaeology, and Ethnography // David V. Kaufman
Pubbl/distr/stampa	Lincoln : , : University of Nebraska Press, , 2019 Baltimore, Md. : , : Project MUSE, , 2019 ©2019
ISBN	9781496214935 1496214935
Edizione	[1st ed.]
Descrizione fisica	1 online resource (259 pages)
Disciplina	497/.5
Soggetti	Language and culture - Mississippi River Valley Languages in contact - Mississippi River Valley Anthropological linguistics - Mississippi River Valley Indians of North America - Mississippi River Valley - Languages Mississippi River Valley History To 1803 Mississippi River Valley Languages
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Geography, archaeology, peoples, and languages. Geography and environment -- Archaeology and history -- Peoples, migrations, and languages -- Language contact. Language contact -- Phonetic and phonological features -- Morphological features -- Word borrowings and calques -- Conclusion.
Sommario/riassunto	2019 Choice Outstanding Academic Title Published through the Recovering Languages and Literacies of the Americas initiative, supported by the Andrew W. Mellon Foundation. In <i>Clues to Lower Mississippi Valley Histories</i> David V. Kaufman offers a stunning relational analysis of social, cultural, and linguistic change in the Lower Mississippi Valley from 500 to 1700. He charts how linguistic evidence aids the understanding of earlier cultural and social patterns, traces the diaspora of indigenous peoples, and uncovers instances of human migration. Historical linguistics establishes evidence of contact between indigenous peoples in the linguistic record where other disciplinary

approaches have obscured these connections. The Mississippi Valley is the heartland of early North American civilizations. The region is a rich and diversified center of transportation for every part of eastern North America and to Mesoamerica. The Lower Mississippi Valley region emerged as the home of the earliest mound-building societies in the Americas and was home to some of the most impressive kingdoms encountered by Spanish and French explorers. The languages of the region provide the key to the realities experienced by these indigenous peoples, their histories, and their relationships. *Clues to Lower Mississippi Valley Histories* focuses on relationships that constitute what linguists call a sprachbund (language union), or language area. Kaufman illuminates and articulates these linguistic relationships through a skillful examination of archaeological and ethnohistorical data. *Clues to Lower Mississippi Valley Histories* examines the relationship between linguistics and archaeology to elucidate the early history of the Lower Mississippi Valley.
