Sommario/riassunto	Migration and Remittances from Mexico: Trends, Impacts, and New Challenges, edited by Alfredo Cuecuecha and Carla Pederzini, is an indispensable resource for Mexico-US migration studies. It includes a review of the most important available databases for the study of migration from Mexico and Latin America to the US. The volume's contributors are specialized migration researchers trained in a broad variety of fields, including economics, sociology, demography, and

political science in both Mexico and
