Sommario/riassunto	First published in 1931.'Hall is the ideal travel-writer. He never wearies his readers, but makes them love him.' Times Literary SupplementBasil Hall's Fragments of Voyages and Travels originally appeared in nine volumes. Miscellaneous in their topics, and arranged without any order the volumes re-issued here have been selected for their clarity and

interest, both geographical and historical. Few books give a more graphic picture of the Royal Navy a century ago and Hall's volumes are full of nautical information. Hall was also an indefatigable traveller and a keen observer
