Sommario/riassunto	This book, written by Hiriyappa B., Ph.D., explores the multifaceted nature of leadership and provides a comprehensive guide for developing leadership skills. It is designed to help students and professionals enhance their leadership capabilities in both work and life contexts. The book covers essential leadership skills, different leadership styles, leadership theories, and models, as well as the dynamics of power in leadership. It emphasizes the importance of hard and soft skills, emotional intelligence, communication, adaptability, and the ability to inspire and motivate others. The author's goal is to equip readers with practical tools and insights to become effective leaders. The intended audience includes students, aspiring leaders, and professionals seeking to improve their leadership skills.
