Sommario/riassunto	Anna Parnell was one of Charles Stewart Parnell's two sisters and like her other sister Fanny was an avid supporter of Home Rule and Land League agitation as well as of her brother's leadership of the Irish Party. Professor Schneller discusses Anna's journalism in Ireland, Britain and the United States and shows the development of her feminism and nationalism at the time of her brothers imprisonment in Kilmainham Prison. The wider context of her writing and the emergence of a genuine women's voice in Irish party politics is also illuminated.
