## Sommario/riassunto

The primary goal of this volume is to describe the contemporary state of affairs in Western psychotherapy, and to do so in a Whiteheadian spirit: with genuine openness to the relative ways in which creativity, beauty, truth, and peace manifest themselves in various cultural traditions. This Whiteheadian Dialogue explores afresh an important cross-elucidatory path: what have we, and what can be learned from a dialogue with Eastern worldviews? In order to generate meaningful contrasts between these different systems of thought, all the papers address common core issues. On one hand, how does the
