The Oxfordshire rising of 1596; Chapter 5 The social economy of dearth in early modern England*; Chapter 6 The impact of the English Civil War on society: a world turned upside-down? Chapter 7 Public transcripts, popular agency and the politics of subsistence in early modern England Index
Sommario/riassunto	Early modern England was marked by profound changes in economy, society, politics and religion. It is widely believed that the poverty and discontent which these changes often caused resulted in major rebellion and frequent 'riots'. Whereas the politics of the people have often been described as a 'many-headed monster'; spasmodic and violent, and the only means by which the people could gain expression in a highly hierarchical society and a state that denied them a political voice, the essays in this collection argue for the inherently political nature of popular protest through a series of st
