Sommario/riassunto

In his groundbreaking book *Somebodies and Nobodies*, Robert Fuller identified a form of domination that everyone has experienced but few dare to protest: rankism, abuse of the power inherent in rank to exploit and humiliate someone of lower rank. It plays a role in just about every form of social oppression. Racism, sexism, homophobia, and religious intolerance all have a significant element of rankism in them. Most everyone has felt the sting of rankism--at the hands of a dictatorial boss, a condescending teacher, an arrogant doctor, or an imperious bureaucrat. But, equally, most everyone has in
