Nota di contenuto	God the hospitable in Christian thought and action -- The hospitality tradition in religion, society, and culture -- The inhospitable, the indifferent, and the hospitality tradition -- Postmodern hospitality/postmodern faith : grace, gift, and generosity -- Unwrapping the gift -- Convergent hospitalities -- Hospitable community -- The God of transformative hospitality : reality and dream.
Sommario/riassunto	Exploring the hospitality of God, and its implications for human thought and action, this book examines the concepts of hospitality as cognitive tools for reframing our thinking about God, divine action, and human response in discipleship. Hospitality is imagined as an interactive symbol, changing perspectives and encouraging stable environments of compassionate construction in society. Human rights are of crucial importance to the wellbeing of the people of our planet. But there is a sense in which they will always be an emergency measure, a response to evils as they are happening. The authors argue

that a hospitable comparative theology reaches out to bring Christian hospitality into the dialogue of world religions and cultures. It will respect the identity of particular groups and yet will strive for a cosmopolitan sharing of common values. It will respect tradition but also openness to reform and re-imagining. It will encourage convergence and development in a fluid stream of committed hospitalities.

Malachi / Richard J. Coggins and Jin Jee Han.

Sommario/riassunto

This concise commentary on the Prophets, excerpted from the Fortress Commentary on the Bible: The Old Testament and Apocrypha, engages readers in the work of biblical interpretation. Contributors from a rich diversity of perspectives connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. Introductory articles describe the challenges of reading the Old Testament in ancient and contemporary contexts, relating the biblical theme of "the people of God" to our complex, multicultural world, and reading the Old Testament as Christian Scripture, followed by a survey of "Themes and Perspectives in the Prophets: Truth, Tragedy, Trauma." Each chapter (Isaiah through Malachi) includes an introduction and commentary on the text through the lenses of three critical questions: The Text in Its Ancient Context. What did the text probably mean in its original historical and cultural context? The Text in the Interpretive Tradition. How have centuries of reading and interpreting shaped our understanding of the text? The Text in Contemporary Discussion. What are the unique challenges and interpretive questions that arise for readers and hearers of the text today? The Prophets introduces fresh perspectives and draws students, as well as preachers and interested readers, into the challenging work of interpretation.
