Sommario/riassunto

Examine the changing structure of the family as America's population ages! As the United States' economy evolves and manufacturing jobs disappear, the prospect of each generation experiencing a standard of living that exceeds that of their parents' generation also disappears.

Challenges of Aging on U.S. Families: Policy and Practice Implications explores this trend, presenting the latest original research on the changing roles of caregivers along with the economic and emotional effects on the family unit. Respected authorities discuss in detail long-term care and the standard of liv
