Nota di contenuto	Theories of property -- Justice and reparation -- The rule of law, equality, and limited restitution -- The rule of law as the law of (restitution) rules.
Sommario/riassunto	Eastern European societies underwent large-scale deprivations of property by the authoritarian regimes, beginning after World War II, largely ending with the last waves of the kolkhoz movement in the early 1960s. Kuti examines property reparations that took place after 1989, from the perspective of constitutional justice, the rule of law, but also from the point of view of identity politics.
