Sommario/riassunto	Praise for Accounting Best Practices Sixth Edition ""For a comprehensive, yet easy-to-read guide to fixing those all-too-

common shortcomings in your accounting department, look no further than this excellent book. Steve Bragg provides hundreds of fixes, many of them requiring surprisingly little time or cost while providing a handy guide to common implementation pitfalls . . . I would recommend this invaluable book to anyone who is looking to enhance their existing processes, whether due to growth in their business, compliance with Sarbanes-Oxley, or just as part of their ongoing
