## Sommario/riassunto

The bestselling CBAP/CCBA study guide, updated for exam v3.0 The CBAP/CCBA Certified Business Analysis Study Guide, Second Edition offers 100% coverage of all exam objectives for the Certified Business Analysis Professional (CBAP) and Certification of Competency in Business Analysis (CCBA) exams offered by the International Institute of Business Analysis (IIBA). Detailed coverage encompasses all six knowledge areas defined by the Guide to Business Analysis Body of Knowledge (BABOK): Planning and Monitoring, Elicitation, Requirements Management and Communication, Enterprise Analysis, Requirements Analysis, and Solution Assessment and Validation, including expert guidance toward all underlying competencies. Real-world scenarios help you align your existing experience with the BABOK, and topic summaries, tips and tricks, practice questions, and objective-mapping give you a solid framework for success on the exam. You also gain access to the Sybex interactive learning environment, featuring review questions, electronic flashcards, and four practice exams to help you gauge your understanding and be fully prepared exam day. As more and more organizations seek to streamline production models, the demand for qualified Business Analysts is growing. This guide provides a personalized study program to help you take your place among those certified in essential business analysis skills. Review the BABOK standards and best practices Master the core Business Analysis competencies Test your preparedness with focused review questions Access CBAP and CCBA practice exams, study tools, and more As the liaison between the customer and the technical team, the Business Analyst is integral to ensuring that the solution satisfies the customer's needs. The BABOK standards codify best practices for this essential role, and the CBAP and CCBA certifications prove your ability to perform

them effectively. The CBAP/CCBA Certified Business Analysis Study Guide, Second Edition provides thorough preparation customizable to your needs, to help you maximize your study time and ensure your success.
