Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di contenuto	Frontmatter -- Contents -- Preface / Parrish, S. M. -- A Note on Editorial Procedure -- Introduction -- Reading Texts -- Photographs -- Transcriptions
Sommario/riassunto	This book offers a history of Coleridge's great Dejection poems, and presents the earliest manuscripts and earliest printed versions of these poems, along with the only known manuscript of another poem of Coleridge's, "The Day-Dream." In his introduction, Stephen Parrish traces the early development of the Dejection poems from their genesis in Coleridge's unhappy personal situation through the circumstances of their composition and revision. Reading texts of the recently discovered version of "Letter" and "The Day-Dream" are presented here for the first time, together with reading texts of a transitional version of "Letter," the October 1802 and 1817 published versions of "Dejection," and the only version of "The Day-Dream" published by Coleridge. The volume also contains photographs and transcripts of the principal manuscripts. Where appropriate, a record of variants is provided in the form of an apparatus.

Class, Race, and Partisan Change -- 5. Social Forces and Partisan Politicians -- 6. Old South, New South, No South? -- Notes -- References -- Index
Sommario/riassunto	Until now, the critical shift in Southern political allegiance from Democratic to Republican has been explained, by scholars and journalists, as a white backlash to the civil rights revolution. In this myth-shattering book, Byron Shafer and Richard Johnston refute that view, one stretching all the way back to V. O. Key in his classic book Southern Politics. The true story is instead one of dramatic class reversal, beginning in the 1950's and pulling everything else in its wake.
