Sommario/riassunto	America's leaders say the economy is strong and getting stronger. But ordinary Americans aren't buying it. They see what the rosy statistics hide: We are all struggling under the weight of terrifying economic instability. No matter how well educated and hard working we are, we know that the bottom can fall out at any moment. Meanwhile, the safety net that once protected us is fast unraveling. With retirement plans in growing jeopardy while health coverage erodes, more and more economic risk is shifting from government and business onto the fragile shoulders of the American family. In The Grea
