Nota di bibliografia	Includes bibliographical references.
Nota di contenuto	Contents; Foreword; Abbreviations and Acronyms; 1. Implementing Fiscal Decentralization: Data Needs and Availability; 2. Globalization, Localization, and Statistics: Policies toward Poverty Reduction and Sustainable Development; 3. Bulgaria; 4. Romania; 5. Slovak Republic; 6. Slovenia; 7. Ukraine
Sommario/riassunto	The need for subnational demographic, social, economic, and fiscal data in designing effective intergovernmental fiscal systems is becoming increasingly evident. This title summarizes the findings of needs assessment activities in five demonstration countries that are at different stages of fiscal decentralization: Bulgaria, Romania, the Slovak Republic, Slovenia, and Ukraine.
