Sommario/riassunto	"An exquisite new drama from the Pulitzer Prize-winning playwright of Anna in the Tropics"--About the play. "The millennium, New York City. Bemadette Kahn, an eighty-year-old German-born writer, spends her days in her apartment, trying to forget the past. Until Saquiel Rafaeli, a young Jewish-Cuban researcher, appears on her doorstep, forcing her to confront those haunted memories. He's eager to learn about Bemadette's long-lost lover, Ariel Strauss, who set sail in 1939 aboard the St. Louis, never to be seen again"--amazon.com.
