Sommario/riassunto	Joy and Perseverance for Women in Cross-Cultural Ministry More Screams, Different Deserts is another invitation to join Sue on her adventures in cross-cultural living and biblical studies that have helped her along the way. With twenty-seven years of experience in cross cultural ministry, Sue realizes that joy and perseverance are essential for thriving in life and ministry. Her stories and insights encourage women to look to Jesus, our only hope wherever we live. Stories, ranging from one corner of the world to another, include discovering a forgotten museum, protecting her children from chocolate, visiting a camel market, and meeting wild pigs on a nighttime walk. God has been her refuge, and his Word held her steady when all she really wanted to do was run away and hide. Questions and resources at the end of each chapter will help readers think through personal application and find additional help.
