Sommario/riassunto	Combining biography and a careful analysis of Nietzsche's writings from 1844-1900, this book explores Nietzsche's critique of Christianity, Judaism, and antisemitism. The first part of the book is concerned with psychological aspects and biographical elements. Part Two focuses on the ethical and political aspects of Nietzsche's views as presented in his mature writings: Thus Spoke Zarathustra, Toward the Genealogy of Morals, and the Antichrist.
