Manning Marable, historian and political scientist at Columbia University, has been a consistent voice challenging inequality and injustice in the social sciences for decades. *Beyond Boundaries* brings together Marable's best writing from the last two decades and will prove invaluable to anyone seeking to challenge race, class and gender inequalities today. A pioneering intellectual in the field of black studies and the founder of Columbia's Institute for Research in African-American Studies, Marable blends the disciplines of history, political science and sociology to address contemporary concerns and social issues.
