Sean Burns -- The language of academic librarianship : the discourse of promotion and tenure / Mary K. Bolin -- Merging large and complex library organizations / Anthony Molaro.

Sommario/riassunto

Volume 32 of Advances in library administration and organization bring together a collection of studies which highlight up and coming research that today's library managers and researchers face. The book will examine the challenges that library administrators encounter on a daily basis, review emerging trends and bring critical analysis to this area.
