Sommario/riassunto	This book explores heterosexualities in their complex and everyday expressions. It engages with theories about the intersection of sexuality with other markers of difference, and gender in particular. The outcome will productively upset equations of heterosexuality with heteronormativity and accounts that cast heterosexuality in ""sex critical, sex as danger"" terms. Queer/feminist 'pro-sex' perspectives have become prevalent in analyses of sexuality, but in these approaches queer becomes the site of subversive, transgressive, exciting and pleasurable sex, while heterosex, if mentioned at a
