#### Sommario/riassunto

Chronicling the people, places, and events of the state's colorful history, Colorado: The Highest State is the story of how Colorado grew up. Through booms and busts in farming and ranching, mining and railroading, and water and oil, Colorado's past is a cycle of ups and downs as high as the state's peaks and as low as its canyons. The second edition is the result of a major revision, with updates on all material, two new chapters, and ninety new photos. Each chapter is followed by questions, suggested activities, recommended reading, a ""Did you know?"" trivia section, and recommended web
