Conception of illustrated Waverley novel: mechanics of mass-media -- Chapter 5. William Allan: Scott's illustrator -- Chapter 6. Reconstructing the tollbooth: Alexander Nasmyth and The heart of midlothian.

## Sommario/riassunto

Picturing Scotland examines the genesis and production of the first author-approved illustrations for Sir Walter Scott's *Waverley* novels in Scotland. Richard J. Hill shows that Scott, usually seen as indifferent to the mechanics of publishing, was actually at the forefront of one of the most lucrative publishing trends, the illustrated novel. Informed by close readings and augmented by a bibliographic catalogue of illustrations, *Picturing Scotland* is an important contribution to Scott studies, book illustration, and publishing history
