| Sommario/riassunto      | For early childhood classrooms - where curriculum is increasingly shaped by standards and teachers are pressed for time - Beyond Early                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

Literacy offers a literacy method that goes beyond simply developing language arts skills. Known as Shared Journal, this process promotes young children's learning across content areas - including their communication and language abilities, writing skills, sense of community, grasp of diverse social and cultural worlds, and understanding of history, counting, numeracy, and time.
