Sommario/riassunto	This eBook is a collection of articles from a Frontiers Research Topic. Frontiers Research Topics are very popular trademarks of the Frontiers Journals Series: they are collections of at least ten articles, all centered on a particular subject. With their unique mix of varied contributions from Original Research to Review Articles, Frontiers Research Topics unify the most influential researchers, the latest key findings and historical advances in a hot research area! Find out more on how to host your own Frontiers Research Topic or contribute to one as an author by contacting the Frontiers Editorial Office: frontiersin.org/about/contact

Sommario/riassunto

More than 700 letters published here, spanning over 5 volumes, have never before been gathered together and offered to the public in an easily accessible, organized fashion. Carefully transcribed and dated, they are presented here in a spare, unadorned manner, offering an unprecedented look at an important period in the life of this pre-eminent American author.
