#### Sommario/riassunto

The second edition of *Helping Teens Work Through Grief* provides a more complete and updated manual for facilitators of teen grief groups. It includes additional background information about developmental aspects of teens, the process of grief, aspects of trauma and its effects on teens, the value of a group, determining the group-appropriateness of particular teens, and parental involvement. The many details involved with beginning a group - publicity, interviews, registration, structure, closure, evaluation, and follow-up - are listed.
