Sommario/riassunto

Written for a broad audience, including program administrators,
policymakers, teachers, students, and health care professionals and
their patients--anyone with an interest in preventing low birthweight--
this summary is a condensation of the full report, Preventing Low
Birthweight. It clearly and concisely covers most of the topics discussed
in the comprehensive volume. 2-9 copies, \$4.00 each; 10 or more
copies, \$2.50 each (no other discounts apply).
