Sommario/riassunto	Christian Democracy, which may briefly be defined as organised political action by Catholic democrats, has been a major political force in Western Europe since the Second World War, not least in France. The aim of this book, first published in 1973, is to trace the Development of Christian Democracy in France from its origins in the 1830s to the present day, discussing its theories and its importance in French history and politics, with particular (but by no means exclusive) reference to the Fourth Republic (1946-58) when the MRP was one of the key centre parties. Dr Irving provides a
