| Sommario/riassunto      | In this comprehensive volume of the collected writings of James Monroe Whitfield (1822-71), Robert S. Levine and Ivy G. Wilson restore this African American poet, abolitionist, and intellectual to his rightful place in the arts and politics of the nineteenth-century United States. Whitfield's works, including poems from his celebrated <i>America</i> and <i>Other Poems</i> (1853), were printed in influential journals and newspapers, such as Frederick Douglass's <i>The North Star</i> . A champion of the black emigration movement during the 1850's, Whitfield was embraced by African Americans |
