Sommario/riassunto	French sociologist and philosopher, Bruno Latour, is one of the most significant and creative thinkers of the last decades. Bruno Latour: Hybrid Thoughts in a Hybrid World is the first comprehensive and accessible English-language introduction to this multi-faceted work. The book focuses on core Latourian themes: contribution to science studies (STS - Science, Technology & Society) philosophical approach to the rise and fall of modernity innovative thoughts on politics, nature, and ecology contribution to the branch of sociology known as ANT -
